 VAMBAN - 622 303

2018 – 2019

**Action Taken Report – Based on the Feedback Received from the Students**

1. To Command over subject and communication skill of the students the Bharathidasan University itself introduced a soft skill paper “as a part of University curriculum for each programme”. Our Management encourages, staff and students to improve their communication skill by providing language lab in which 20 computer are availed in usage.

2. Our college is a self financing College. Bharathidasan University has its own statutory body (Board of studies) to frame syllabus. Affiliated colleges like ours should follow the Syllabus as per norms of the University. As we have no Staff representation in the Board of studies, our role is limited to frame syllabus. To improve the skill of the students, we conduct Value added course in each and every programme and it will enhance their efforts to participate in competitive examinations.

3. Our College Management takes efforts to enrich the library. Subject oriented books, books related to competitive examinations, and Research Journals, E-resource facilities in library are also made available to the students. Book bank is separately available in the library. Management provides sufficient funds for all these above said. To make the students to understand the importance of Library, weekly 1 hour is allotted in the General Time Table for UG & PG Students and students visit the library in mandatory in that particular prescribed hour became compulsory in the particular prescribed hour.

 VAMBAN - 622 303

2019 – 2020

**Action Taken Report – Based on the Feedback Received from the Students**

1) Teaching is an Professional art. It is a noble profession. Parents send their wards for higher education with faith and good hope of the teachers. There is a need of transformation of teaching methodology from conventional to modern by adopting modern devices. Teachers are advised to identify the knowledge gap during the initial lectures and design remedial measures. The Institution provides modern method of Teaching and better facilities to supplement regular classroom teaching to make the learning process more effective. To attain this end LCD projectors are used the teaching.

2) Students are encouraged to participate in various curricular activities to enhance their skill and potential in different fields of education. Students are motivated to make presentations on the various areas of their interest and provide in-depth knowledge about the subjects.

3) Since, the University has its own Statutory body (Board of Studies) to frame syllabus, affiliated college like ours will follow the same syllabus. As we have no staff representation in the Board of Studies our role is limited, in preparation of syllabus. To further improve the skill of the student we would conduct value added and certificate courses to student in each and every programmes. It will enhance the students efforts to participate in competitive examinations.

**2020 – 2021**

**Action Taken Report – Based on the Feedback Received from the Students**

1. We plan to support Students centric methods, such as experimental learning, participative learning and problem solving methodologies which will enhance the learning experiences of the students.

2. The content of the course is not enable for acquisition of day to day knowledge and related skills. In addition we are conducting certificate and value added courses to enable the students to create their own self employment and to enhance their efforts to appear for the competitive examinations.

3. We conduct “Bookless class” for our students in every working Saturdays to enrich their knowledge other than their prescribed subjects.

2021 – 2022 :

  
**PRINCIPAL**  
 ARPUTHA COLLEGE OF ARTS & SCIENCE  
 VAMBAN, 622 303

2021-2022

Action Taken Report – Based on the Feedback Received from the Students:

1. Easy accessibility of teachers to students is one of the important features for healthy Teacher – Student relationship. In this regard, teachers are guided and activated to have an easy accessibility to their wards through conduct and coordinate seminars, workshop, group discussions and also motivate them to participate in various group activities.

2. To enhance over subject and communication skill the Bharathidasan University itself introduced a “ Soft skill Paper ” as a part of University curriculum for each and every programme and the same in followed our college. Our Management encourages Staff and Students to utilise the language lab which have 25computers exculisively for improving communication skill.

3. Actions were initiated to provide adequate and purified drinking water facilities to students and teachers. In this regard enough manpower and infrastructure were provided to meet the requirements of Staff and Students.

4. Steps were taken to modernise the existing toilet facilities to increase its utility.

5. Our college encourages students to carryout Intership, Field Visit and Field Project and Industrial visit to gain knowledge other than their academic activities
